# I like to \_\_\_\_\_ with my friend!

Draw a picture of you and a friend doing something fun.

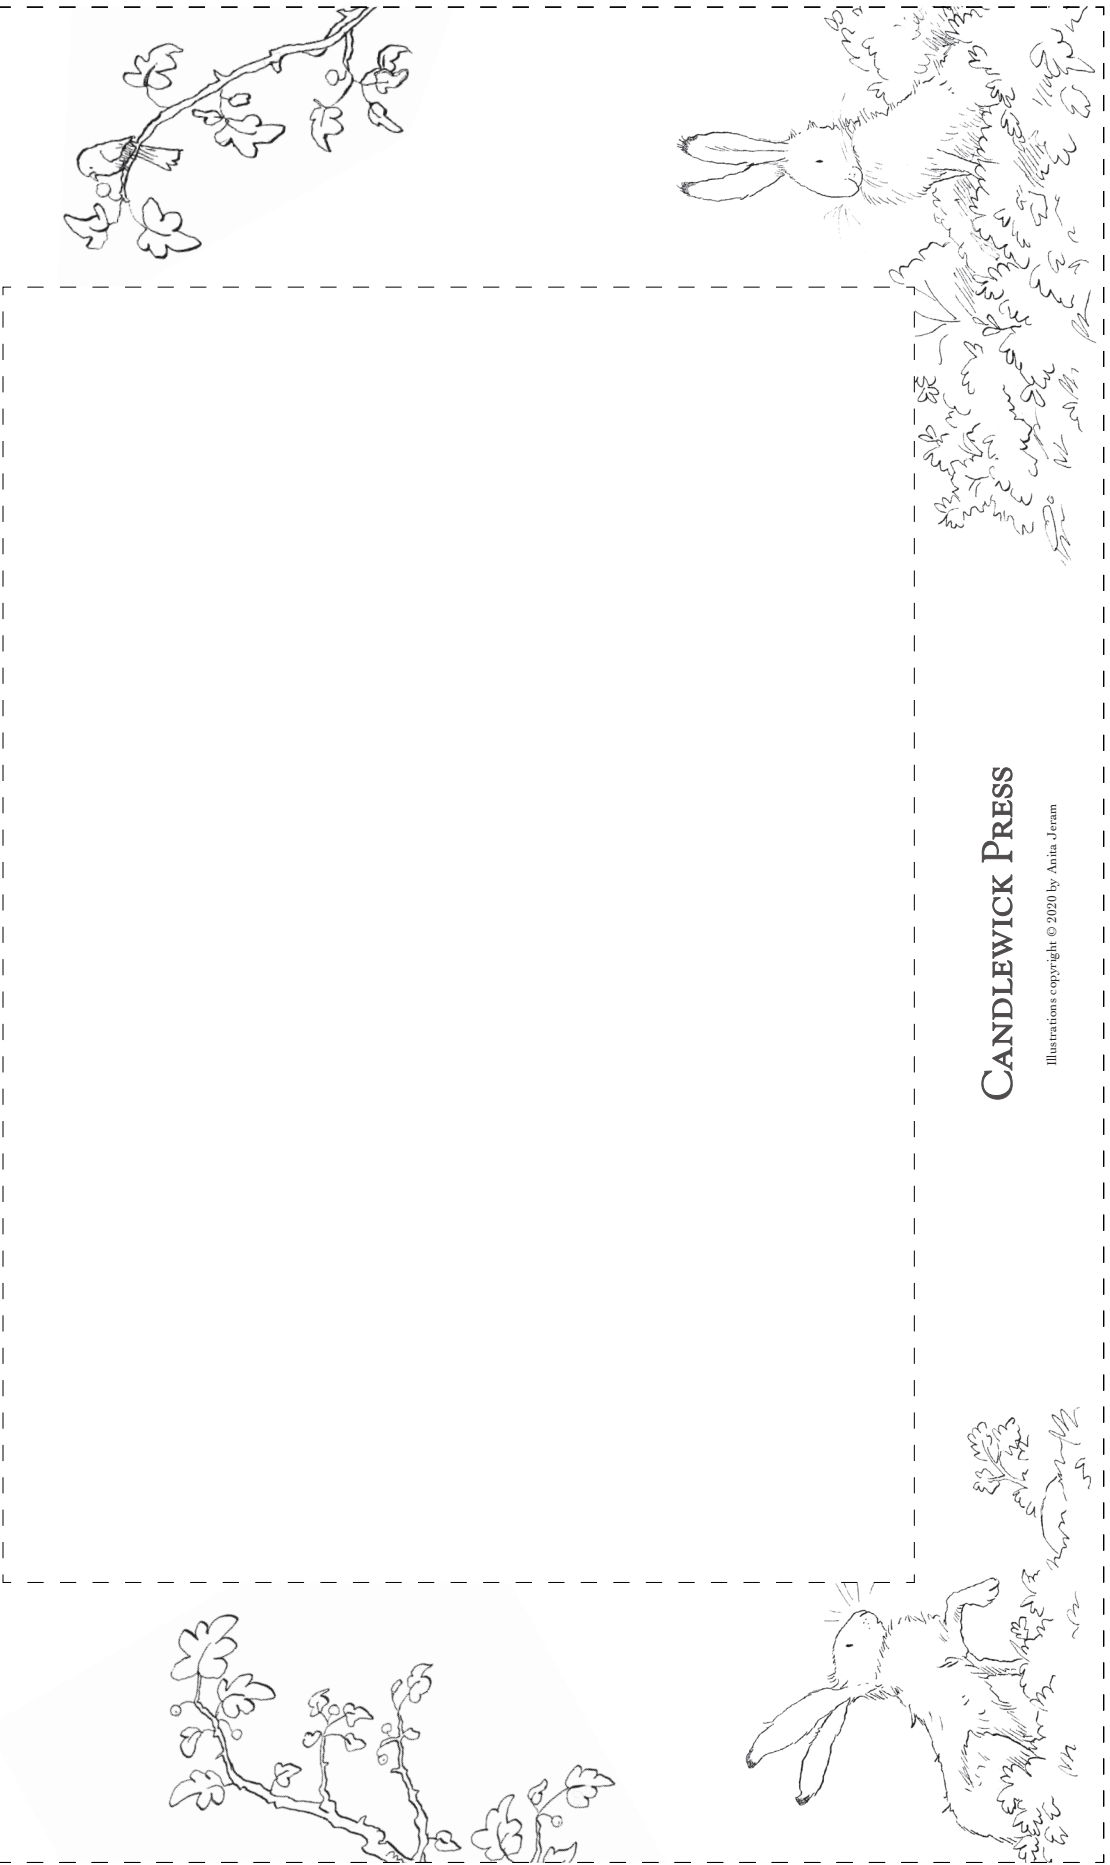

Cut out and color this picture frame  
and tape it to a piece of cardboard.  
Very carefully, cut out the center square.

Attach another piece of cardboard  
to the back using tape or glue  
along the bottom and two sides.

Then slip a photo of you and  
a friend between the two pieces of  
cardboard to show through the window.
