HC: 978-1-5362-1767-4

Ages 3-7 • 48 pages

In Inga Moore's charming companion to *A House in the Woods*, Moose's library outing soon has the whole woodland community crowding into his house to read together. Leave it to Moose to find a solution—on wheels! With its warm, whimsical cast and a snug forest setting, this playful nod to the power of books, libraries, and community will make for a cozy read-aloud. Read the story together, as Moose does with his friends, then enjoy these activities.
