

FIRST CLASS LUXURY: DESIGNING THE TITANIC

DAVID LONG | 978-1-78112-966-1

In *Tragedy at Sea* we learn that *Titanic* was built to be the most luxurious ship of its time, with everything from a heated swimming pool to rooms that looked like London's finest hotels.

Imagine the most luxurious room you can think of ...

What would be in it?

How would it be decorated?

Draw your idea in the box on the next page. You can use some of the words below for ideas or come up with your own design!
