What happened in 1930?

Write a list of 5 interesting things that happened in 1930 Australia.

Test your skills with a Quiz

In 1930 Phar Lap won the Melbourne Cup.

Go to <http://audrey-of-the-outback.blogspot.com/2008/08/you-little-bewdy-what-do-you-know-about.html> and see how many correct answers you can get to the quiz about Phar Lap.

Write your own Quiz

Look again at your list of interesting things you wrote for question 1 and choose one item. Write your own quiz questions, and answers (on a separate page) about this topic. Swap with someone else in the class and see if you can answer their quiz questions.

Publish your own Quiz book

Collect all the quiz sheets and put them in a folder, which can be shared with your class or donated to the school library.

Test your memory

What is the verse that Mrs Paterson teaches Audrey to help her learn to knit?

Write another verse you have learned that helps you remember something.

Why do you think rhyming verses help people remember?

What would you wear?

To show how clothing has changed over the years, divide a sheet of blank paper into four quarters (By drawing lines or folding).

In each quarter, draw yourself and what you might wear in these years: 1830, 1930, 2008 and 2030. It might help to talk about this as a class first.

A Family Recipe

Audrey's family live a long way from other families, so they rely on each other.

Write a recipe - using the traditional **ingredients** and **method** – for a 'Happy Family'.

When you have finished your recipes, read them out to the class.

Put the recipes in a binder or folder with a title page, and publish your own class book called 'Recipes for a Happy Family'.
