

Teaching Notes: Clementine's Treasure

Written & illustrated by Annie White
Published by Catch a Star, New Frontier Publishing

SYNOPSIS

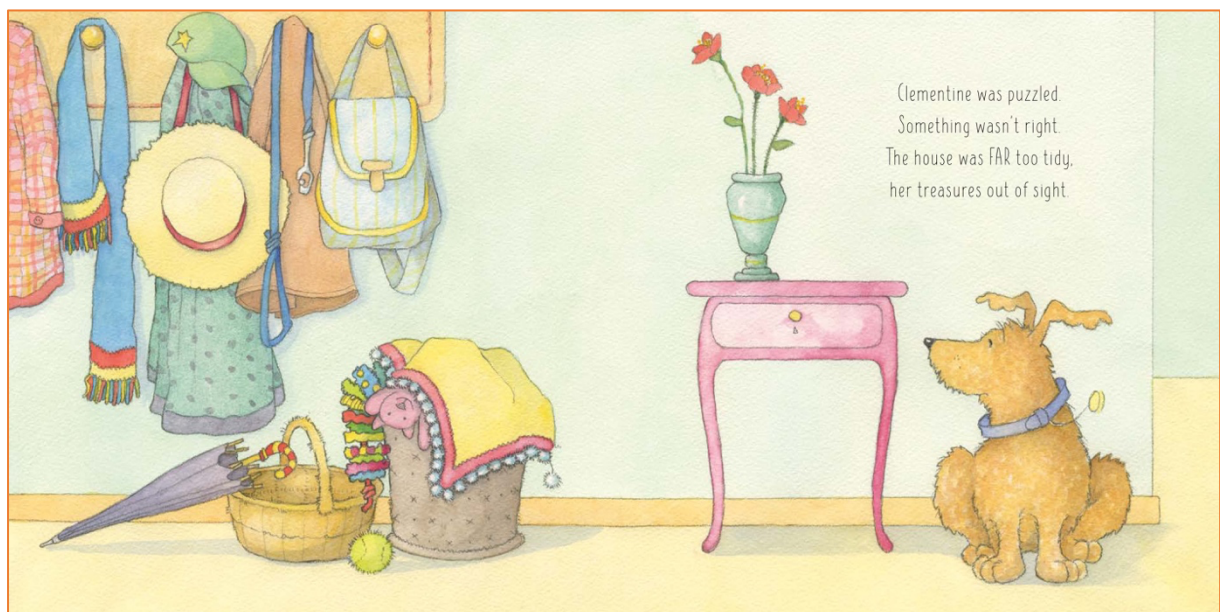

Clementine has her eye on only one thing when the Queen comes to tea – a sparkly royal necklace!

When the jewel goes missing, everyone, including Clementine, searches high and low to find it.

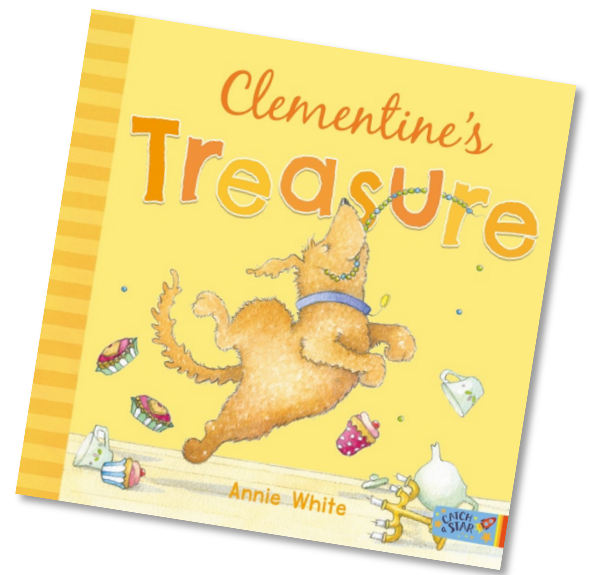

ABOUT THE AUTHOR AND ILLUSTRATOR

Annie White illustrates and writes for children from her studio in Melbourne, Australia. After studying art and design, she worked in the advertising industry for a while and now freelances for a number of different publishers and other interested people.

Annie has illustrated over 80 books for children and likes to communicate her ideas clearly and simply using expression and movement. Some of her picture books have appeared on the CBCA Notables list, the Speech Pathology short list and the Prime Minister's Literary Awards short list. Daisy, the second studio dog, inspired the story of *Clementine's Treasure*, when she swiped a delicate gold necklace from around the neck of Annie's very glamorous niece as she bent to pat the adorable new puppy. No one noticed in the excitement, but later everyone did look everywhere for the missing necklace.
