## Description

Itty Bitty Kitty LOVES empty boxes, string and sleeping on clean washing. She HATES being called cute. She is almost a tiger, after all!

She may still be a kitten, but Itty Bitty is ready to take on the world. And she knows all the Cat Laws.

So when a family want to make Itty Bitty their pet, she is NOT HAPPY. Cats choose their humans, not the other way around! This is the very first Cat Law.

Join Itty Bitty on three epic adventures. Will she stick to the rules? Or will this kitty make up her own rules for life?

## About the author

Maddy Mara is the pen name of Melbourne-based creative duo Hilary Rogers and Meredith Badger. Hilary and Meredith have been collaborating on children's books for nearly two decades. Hilary is an author and former publishing director; Meredith is the author of countless books for kids and young adults, and teaches English as a foreign language. Maddy Mara is the melding of their respective daughters' names.

## About the illustrator

Noémie grew up in a small coastal town of New-Brunswick, Canada, surrounded by the ocean. Growing up, she told everyone she wanted to become either a doctor, or a children's book illustrator. Midway through med school, she decided she would do both. She now shares her time between the hospital (where she works as a rheumatologist) and her home studio, where she sketches, draws and paints surrounded by her wife, son, two tiny Chihuahuas and two cats. She works both digitally and traditionally, creating engaging illustrations, usually with a funny twist!

## Key themes

### Family

Although at first Itty Bitty is unsure about her new family, she soon grows to love them as they learn more about each other. This book is a great tool to talk about the important people in our family and can prompt conversations about how we like to spend time together.

### Bravery

Itty Bitty may look small and cute, but she is also brave. In each of the stories, we see Itty Bitty summoning courage to help protect herself or her family. This book can be used to discuss the different ways that we can be brave and how we can help each other to face our biggest fears.

### Showing kindness

Itty Bitty loves to help out her family. When she sees that her humans are upset and need comforting, Itty Bitty knows exactly what to do. This book can be used to discuss the many ways that we can show kindness, compassion and generosity to each other.
